Interviewer: Okay [P1], what you have done today? What have you created?

P1: I made a tray to hold my [Boccia 00:00:11] balls.

Interviewer: The Boccia ball holder.

P1: Yes.

Interviewer: Great. So how did you make it?

P1: I designed it on Adobe Illustrator and used a laser cutter to cut it into the wood.

Interviewer: Oh, yes. Was it a lot of work?

P1: Yes, designing the interlocking.

Interviewer: The interlocking one yes?

P1: Yes, it was a lot of work.

Interviewer: Yes, but are you happy with the outcome? Do you think it will be good?

P1: Yes. It will be good, yes.

Interviewer: It looks pretty good.

Male Voice: It looks so smart.

P1: Yes.

Interviewer: I think you're a very talented designer.

P1: Thank you.

Interviewer: It's not easy to do so. Great. So what will you do next for it?

P1: I think I'll make ____[00:01:10] and then ____ the outer box to put it on my wheelchair.

Interviewer: Great. So, thank you very much for today. That was fun.

P1: Thank you. Yes, it was.
