A: I can't fit it on ((laughs)) no, the bums font is far too big...

Matt: It's designed for a phone, you see.

A: Anyway, it's meant to say [name]. That's who my first kiss was.

bing

?: That's you

B: Alright, do I just pick this up?

C: Yeah. And you can say it out loud if you want to - you don't have to though. And then you've got to do what it says. You don't have to, but if you want to do it you can.

A: You don't have to do it.

B: *blows kiss*

((laughs))

bing

D: I don't get what you have to do.

A: What does it say? Read it out.

B: You don't have to though.

bing

A: Just make sure not to touch the screen, in case it's a drawing one.

E: Am not daein that!!!

((laughs))

E: Take a photo of your body part?!?! AS IF!!

A: It could be any body part! It could be your finger, it could be anything!

E: Trust me to get that one.

bing

F: Do I draw it on here?

A: Yeah. Is it letting you draw?

F: No, it says 'hold your phone and draw a love-heart in the air'.

A: Oh, you have to draw it, with it.

B: That was the worst love-heart in the world!

A: I just loved the face.

bing

G: Right. Everyone's gotta leave the room.

A: Can I stay?

G: Everyone leaves except C.

everyone else leaves

G: I don't have a moment...

E: (shouts) Nothing dirty my girls! I mean it!

((laughs))

G: I don't know what to say ((laughs))

C: Just make up one.

C: Wow!

((laughs))

G: Okay, you can come back in now!

((people re-enter))

E: Friendship goals right here! Just in time...

A: It's not letting me draw again...I was just going to draw a little eye.

bing

A: Just say it...it's a lot easier.

B: What am I saying?

A: A romantic location. Instead of going onto Google Maps.

B: New York.

bing

C: I don't know a slang name for a body part!!!

A: What? Oh, willy? Fanny, there's -

C: They're not really slang...

E: Bazingas! Arsecheeks!

A: Tatas!

E: What the hell are tatas?

bing

E: ((laughs)) Right, choose a friend, then place your phone in your pocket and swing together to an imaginary beat.

A: It basically means dance. Pick someone.
E: Ohh I think I exited it...Let's dance *sings*
((laughs))
Matt: Aw no, has it broke?

general chatter as Matt fixes app

bing

F: *hums*
E: *joins in with humming*
D: Okay, what was yours?
F: Sing a sexy tune ((laughs))
[others join in humming sexy tunes]

bing

G: What's that meant to be?
A: It's just a break, so we can talk about anything. The first time we played we just stayed in utter silence.
C: My finger really hurts. I fell up the stairs.
((laughs))
E: So this is a break?
A: That doesn't mean you just get to stay on your phone for a whole minute.
C: 35 seconds...
((general chatter))
All: *countdown of seconds from ten*

bing

A: You can't draw on this one, I think. It's only the first one you can.
Matt: Sorry.
A: I'll live.

bing

E: What does it mean by that??

A: Massage....basically put it back down and just rub your phones, or something like that.
