

**OLA!! NO MORE EARTHQUAKE FATALITIES!! UNIVERSE  
ARE YOU READY?!!! GREATEST INNOVATION OF ALL TIME**

*An innovation of Team  
Red Cross in  
partnership with J-  
Peng*

*Its big it's here,,, the earthquake bed is what we are talking about.. For many years millions of innocent lives have been lost as a result of earthquakes, landslides. Well worry no more because Team Red Cross has the answer*

*In the event of an earthquake the bed will literally swallow you whole just like that each bed design comes equipped with storage space for emergency supplies like water, food and first aid kits. So you can eat, drink and be merry while waiting for help to arrive*

*Want to know more? Join  
Team Red Cross 116 on  
20/6/2030 at the alliance  
francaise as we unleash the  
biggest innovation of all  
time.*

*You need it  
we've got it*
