

AI: CHANCE OR CHALLENGE?

A stylized illustration of a green electric car. A black charging cable with a green plug is connected to the front of the car. A small green plant with three leaves is growing out of the roof of the car. The car is shown from a side profile against a solid blue background.

However, people are worrying about...

**The more elaborate our
means of communication,
the less we communicate.**

Joseph Priestley

We need to be super careful with AI.
Potentially more dangerous than
nukes,

— *Elon Musk* —
